Discussion on Lot ownership of Lot 67 at Woodside was discussed. Have reached out to the family for an updated reserve list.

Discussion on New Cemetery. Colony Rd. is been planned for recreation use. Difficult to find a suitable piece of property under tax title. Most land

on tax title is wetland, too small or has shallow ledge.

Discussion on Woodside reach out to Dave Crispin on design cost. Superintendent feels design cost will be high and a small expansion may be more cost effective.

Discussion on Winter work Schedule. The need for physical labor in bad weather. The need for a licensed operator for the backhoe. Superintendent recommended Bruce Shaw Commission agreed.
